

We are looking forward to seeing you at the 2022 Ohio Sporting Clays Championship!

Jon Kruger will be returning to set the Main Event, Prelim, and Fitasc Events. Ed Prechal of Top Gun will take care of the Make A Break and 5 Stand. The Subgauge/Pump/SxS/Super Sporting Courses will be set by Hill 'n Dale.

Due to the layout of the club (See Club Map) and the limited parking at the center of the property, no cars, trucks, or trailers will be permitted beyond the designated parking areas. **Travel beyond there will be limited to carts and utility vehicles only.**

**Parking: 3605 Poe Road Entrance:** Parking areas are designated by gray barn and next to bird pens. A shuttle service will operate from these parking areas for shooters without a shooting cart or UTV. Golf Cart Rentals can be picked up at the front of the lodge. We cannot guarantee availability of carts for shooters without a reservation prior to the event.

**6300 River Styx Entrance:** Parking areas are designated by Picnic Pavilions. RV/Trailer Camping is also available in these areas (No Electric or Water Service.) Shuttle service will be available.

Please bring a water bottle to utilize the purified water filling station **provided by Kinetico** located in front of the Lodge/Registration.

A limited supply of bottled water will be available on the courses.

Look for the **Legacy Financial** banner for the Ice Cream station available Fri-Sun.

Fruit will be stationed on all the courses courtesy of **Miles Farmers Market**.

**Schedule of Events (August 4-7):**

**Lodge/Registration opens at 7:45am daily; Practice available at 8am-4pm daily.**
